

Withdrawal/Removal Policy

Parents must provide at least two-week written notice to the Director of the School to withdraw from Chery ChildCare Center. The school will withdraw your child should the Director of the facility deem such withdrawal to be in the best interest of the school. Parents agree they are not entitled to any refunds, credits, or allowances for withdrawal, either voluntary or required in the event of absences due to illness or vacation. Any court cost incurred in collecting a debt will be the responsibility of the parents/guardians. Parents understand that their account will continue to be billed until they have submitted in writing regardless of attendance. Parents also understand that a \$ 25.00 weekly late fee will be applied to my account each week my account has overdue balance.
